What makes this trip special?

This moderate river trip is delightful for every family member. We run this trip in oarboats, and bring inflatable kayaks to play in. Family Vacations on the Green River present some of the world's finest wild areas, in comfort, with great kid friendly food and lots of similar aged kids. River rafting offers quality time and experiences for strengthening family relationships. There is adventure time, quiet time, interaction and reflection time and lots of time to play.

Hiking, water games and building sandcastles provide quality interaction for all the kids, even those at heart. Our guides take children on structured, educational and fun outings where everyone can interact with nature and other children. Parents can join in the excursions or enjoy relax with a glass of wine next to the river, take a leisurely walk or demanding hike or simply enjoy the camaraderie of the other guests.

The Sheri Griffith River Expeditions Difference:

Enhance People's Lives through Outstanding Outdoor Adventures.

Sheri Griffith River Expeditions is the rafting outfitter offering "[A Touch of Class](#)" to all our adventures since 1971. We have received numerous awards for business ethics and community involvement. Including the prestigious "Best of State Award" for River Outfitter and is the only Moab based outfitter to be recognized by *National Geographic* as one of the "Best Outfitters on Earth." We provide an all-inclusive trip and add more amenities and service than any other outfitter. Our goal is to help you feel comfortable in the outdoors. We provide enough civilization for anyone to be comfortable on our river rafting trips. **Great meals, cozy sleeping bags, clean tents, comfortable chairs and professional, service-oriented guides** create a relaxing and comfortable camp setting, complimenting the relaxed pace of the day's river rafting activities.

Day 0

At 5 pm (MDT) the day **BEFORE** the departure we meet at our office just outside of Moab Utah for a pre-trip meeting. Here you will learn what to expect and prepare for, receive your dry bags, sign Assumption of Risk forms and get a chance to ask any last minute questions.

If you cannot make the meeting, please let us know beforehand. That way we can drop off you dry bags and any last minute instructions at your hotel.

Day 1

We meet early at the Canyonlands Field Airport, about 20 minutes north of Moab. This is where we begin our spectacular scenic flight to a mesa above the Green River. The flight takes about 45 minutes overlooking the canyons and river you will be traveling. You will be met by one of your guides who will load your gear into a vehicle and take it to the boats. We will then hike down the mesa to the river.

Today is primarily flat water with a few riffles here and there. We have many river miles to cover to reach the whitewater, so depending upon water levels we may motor during the day. Regardless, today is a fun day of swimming and learning about the human and natural history of the canyon. We will pass Sumner's Amphitheater, named by John Wesley Powell in 1869. We will also see an abandoned iron-prowed skiff, whose history remains a mystery.

This evening, our guides will show your family easy camp techniques and how to enjoying the great outdoors comfortably. The guides will also prepare a delicious kid friendly dinner in a charming riverside beach camp.

Note: Meals are served from a set daily menu, but you are welcome to request, in advance, special dishes or tell us if there are particular things you would prefer not to have.

Potential Hiking Opportunities: Sandwash, Iron-Prowed Skiff, Jacks Creek

Day 2

After a hearty Breakfast of French toast and sausages or Pancakes and Bacon we pack up and start the whitewater! Before we start the guides go over whitewater safety instructions and hand out life jackets. We will practice our inflatable kayak skills in fun, smaller rapids.

We'll stop at Flat Canyon to see 1,000-year-old Fremont Native American petroglyphs. We will lunch on a sandy beach and build sandcastles. The afternoon will be spent improving your kayaking skills as we run up to 15 rapids today. Towards the end of the day we will run big whitewater rapids such as Steer Ridge and Surprise.

Be sure to watch for wildlife. This part of the canyon has many animals including deer, elk, and beaver. We will pull over to camp by late afternoon. While dinner is being prepared there will be time for nature programs, building sandcastles and playing along the riverbank.

The "Family Guide" takes children on structured, educational and fun outings where everyone can interact with nature, and each other. Parents can join in the excursions or take this time to enjoy a leisure walk, relaxing next to the river, or the camaraderie of other guests.

Potential Hiking Opportunities: Flat Canyon, Steer Ridge

Day 3

For the second morning in a row you'll wake to fresh brewed coffee and hot cocoa. Shortly after leaving camp we come to one of the many highlights of the trip; Rock Creek. The group will play in the swimming hole at Rock Creek and explore the Rock Creek Ranch where Butch Cassidy and his Wild Bunch hung out. This is also the deepest part of the canyon (deeper than the Grand Canyon!). The cliff walls will rise above 5,000 feet above you.

Today is another fun day of whitewater. Some of the rapids we will challenge today are Snap Canyon, Belknap Falls, Chandler Falls, and Cow Swim.

Our Family-Only guides have special family and educational training. They've developed great outdoor educational and environmentally sensitive activities and games. These activities and games incorporate camping, history, geology, wildlife, plant life, and of course FUN.

Potential Hiking Opportunities: Rock Creek Ranch, Chandler Falls, Three Canyon, Belknap

Day 4

Today you get to perfect your new kayaking skills with the two biggest rapids-Wire Fence and Three Fords. We will see the McPherson Ranch, another hideout of Butch Cassidy and his Wild Bunch.

Today the trip will leave Desolation Canyon and enter Gray Canyon. Gray Canyon has fewer rapids but bigger ones. It is also famous for housing many dinosaur bones.

Traditionally, the last night of the river trip is "dress-up" night. Anything goes if you would like to participate. It is up to your imagination! This is a great way to celebrate the trip and near completion of your Green River adventure. The guides might set up a skit for the kids or a river Olympics.

Day 5

Today is more of everyone's favorite activities: swimming, playing in the rapids, & having water fights. We will pass the Coal Creek Dam site. We will pass Nefertiti Rock name by the 1869 John Wesley Powell Expedition. Just before lunch we might stop at another panel of Native American Writing at the Price River.

The trip ends just below Swasey's Rapid and across from spectacular Gunnison Butte. Then we'll drive to the Canyonlands Field Airport where we arrive around 6:00 pm.

Potential Hiking Opportunities: Coal Creek, Rattlesnake Canyon, Price River

River specific Information

Whitewater

The Green River through Desolation and Gray Canyons is 84 miles of 50 class I-III rapids that start the second day of the trip and build each day until the largest and best rapids the last day. These rapids are full of big rolling waves, not technically difficult but exciting and great fun - perfect for learning to maneuver a paddleboat or kayak

Boats

All of our equipment is top quality, state of the art and carefully maintained and serviced. Our Family trips are run with oarboats and a few inflatable kayaks to play in. **Oarboats:** These are inflatable rafts (approx. 17 - 18 feet in length) with guides that maneuver them with a set of oars secured to a frame in the middle of the raft. **Inflatable Kayak:** There are no guides in these crafts. The IK's are a great way to get up close and personal with the whitewater. The equipment raft may have a small outboard motor for low water conditions and to accommodate kids' routines.

Mosquito Warning

One certain fact of life on or near the River: Mosquitoes. The Green River can have a few mosquitoes, some stops may require that clients be prepared with bug spray, long sleeves, pants and possibly even a netted hat.

Packing List

*Available in our Travelers Store or by phone (800) 332-2439

***We provide wetsuits when conditions require them

What to pack:

To maximize the versatility of your travel wardrobe, we recommend packing lightweight clothing that can be worn in layers and one warm sweater or fleece jacket. Casual clothing that is comfortable and practical is appropriate for travel in the American Southwest. All hotels and restaurants are accustomed to informally dressed travelers, and in camp, dress is entirely casual.

It is especially important that you pack clothing that you do not mind getting wet. Synthetic fabrics have the advantage of being quick to dry because they don't retain water. Pile and fleece made of polyester or nylon work well as insulation. Cotton sweatshirts and jeans are not recommended as river wear as they are usually made of heavier fabric and take a long time to dry when wet.

If you wear prescription glasses or contact lenses, we recommend that you bring an extra pair. A strap for your glasses is essential. If you wear contact lenses, wrap around sunglasses are recommended, as are goggles during the rapids.

ESSENTIAL ITEMS

Rain jacket & pants * ~ thunderstorms in the desert are *very* unpredictable!

Fleece or sweatshirt ~ nights & mornings are cool; also great under raingear

- Water bottle w/ strap or carabiner ***
- Sunglasses** with a retainer *(2 pairs)
- Sunscreen ~ SPF 15 or greater *** ~ a must!
- Lip moisturizer ~ SPF 15 or greater ***
- 2 Hat or visor** with hat clip to attach to life jacket or shirt *
- Flashlight * or headlamp**
- T-shirts *(one per day)**
- 2 Swimsuits/sports bras** ~ ladies—a sports top & swim shorts are very convenient!

- 1 pair Lightweight pants** ~ zip-off, convertible pants are great—they're 2 in 1 and save space when packing your dry bag
- 2 pairs Quick dry shorts** ~ swimsuit and shorts all in one!
- Long sleeve cotton shirt** ~ provides sun and insect protection
- Underwear**
- River sandals** or shoes that can get wet, will dry quickly, and will not slip off of your feet

HIGHLY RECOMMENDED ITEMS

- Hiking shoes & socks** ~ for hiking and wearing around camp
- Moisturizing lotion ~ Aloe Vera**
- Waterproof camera ***
- Sun umbrella** ~ if sensitive to sun
- Binoculars** ~ for viewing wildlife
- Books** ~ for relaxing in the evening
- Cash for Gratuities**

Toiletry Kit:

- Tooth brush & tooth paste
- Biodegradable soap & shampoo
- Feminine hygiene products
- Small pack of tissue
- Medications ~ prescription and non-prescription
- Comb and/or brush
- Small towel and washcloth

TIPS FROM THE PROS (Our Guides)

- Disposable moist towelettes**
 - Small day or fanny pack**
 - Ziploc bags** ~ for extra water protection
 - Sarong *** ~ 101 uses!
 - Travel pillow**
 - Garbage bag or stuff sack** ~ keeps wet & dry clothes/items separate
 - Extra snacks** ~ for individuals with particular tastes or who may be diabetic—**great for kids too!**
 - Personal sodas / juices / alcohol** (no glass)
 - Journal or notebook** with pen / pencil
 - Duct tape** ~ great for quick repairs of almost anything—sandals, sunglasses, luggage, you name it!
 - A few **clothespins** and **small piece of rope** for drying clothes
 - Goggles** ~ for individuals who wear contact lenses
- Area guide or River Map ***

NOTES ON PACKING ~ Pack clothing that you will not mind getting wet and dirty. Fast drying, durable, comfortable clothing is best for rafting. Cotton is recommended for hot weather and synthetic polypropylene or wool clothes for cool weather.

Packing Tips

Waterproof Bags:

Each guest will get two water proof dry bays at orientation. The overnight bag is evening items goes into a 20" x 20" x 27" dry bag. **Your sleeping bag will come already packed in this bag also.** You may pack in an athletic bag for easier access. You will also receive a day bag which are 9.5" Dia x 20" H

Please note these trips include a scenic flight and will have a FAA 25 lbs. baggage limit per person.

Handy Items

Ziploc and trash bags are very useful for separating personal items in your dry bag such as medications, shampoo, soap, wet items, and dirty laundry. Wet wipes are great for washing your face, wiping your hands, and cleaning sand or dirt off of personal belongings. Pack a few clothespins and rope to dry clothes while on the river. Remember, on the river it is better to have it and not need it than to need it and not have it! All of these items *can* be invaluable and do not take up much space or add much weight to your luggage.

Carabiner

Carabiners are very handy in the outdoors as well as back home. Their oval shape and simple gate mechanism allow you to easily clip your water bottle, camera, hat ~ just about anything ~ nearby.

Extra Snacks

We provide snacks throughout the day, but it is a good idea to bring extra snacks for children, for individuals who have snack preferences, or for those who are diabetic.

Beverages

Each boat has an ice cooler for “personal” drinks such as soda, juice, beer, wine, etc. Since there are no stores along the river, we recommend bringing more than you anticipate needing. Please do not bring glass. SGE provides water, available to you all day long, with lemonade, Gatorade, and iced tea mixes.

Vehicles and Valuables

While you are on the river, your vehicle will be safe at Canyonlands Field Airport in Moab. You can leave wallets, purses, phones and keys with the staff at the Moab airport. We suggest that you leave other valuables home.

Extra Luggage

If you do have extra luggage that you need to store, please ask for possible options at the orientation the night before the trip.

COOL WEATHER ITEMS (March, April, May, September October & November)

- Extra set of wool or fleece jacket & pants
- Extra wool or fleece socks
- Wool gloves
- Wool or fleece hat
- Polypropylene long underwear
- Neoprene gloves & booties
- Dry suit
- Wetsuit ***
- Extra shoes
- Extra set of warm clothes for evening

Weather

You can expect warm, sunny, delightful days in Southeastern Utah. In April through June, high temperatures range between 70° and 90°. July and August high temperatures typically range between 90° and 100°, with September and October temperatures ranging between 70° and 80°. The climate here is very dry with little humidity and not oppressively sweltering. Summer evenings are quite comfortable though spring and fall evenings can be cool. Other than an occasional rain cloud, there are few overcast days, however, **always pack your raingear!** No matter the weather, you will find your visit to be fascinating and unforgettable.

Getting to Moab

Moab, Utah, is located on Highway 191 about 30 miles south of Interstate 70. It is approximately a two hour drive from Grand Junction, Colorado and a four hour drive from Salt Lake City. Both cities have commercial airports with rental cars and vans as well as shuttle companies. Great Lakes Aviation offers direct flights from Denver, Colorado to Moab. If you are driving to Moab or renting a vehicle upon arrival in Moab, you may park in our locked, gated property adjacent to our office while you are on the river.

Moab Stores

The grocery store is open late so you can pick up any last minute items you may have forgotten. The liquor store is open from 11 AM to 9 PM in the summer (May through October). The bookstores in town carry an excellent assortment of books about the rivers and the Colorado Plateau.

Restaurants

There are numerous restaurants in Moab to choose from that accommodate various culinary tastes. Most are open late in the evening and early in the morning. Our guest services staff can help assist you with what restaurants are closest to your hotel.

Time Zones

Utah operates on Mountain Standard Time (Note Arizona does not have Day Light Savings time)

At 9:00 am in Utah, it is:

- 11:00 am the same day in New York – Eastern Standard Time
- 10:00 am the same day in Chicago – Central Standard Time
- 8:00 am the same day in Los Angeles – Pacific Standard Time

Photography

Generally, when travelling, you'll want to bring all the film, camera batteries and other equipment you will need, as supplies may be intermittent. If you plan to travel with digital photographic and/or video equipment, make certain to pack the specific charging apparatus for each piece of equipment. We also suggest that you take into account the amount of data storage of each unit when determining the amount (if any) of additional memory discs to pack.

Bring a protective sports pouch to protect it from water. Participants will be able to store cameras in a shared "dry box." If you are bringing a variety of lenses, please have a waterproof container of your own. Keep in mind we cannot take responsibility for the safety of your personal property. An old river adage is "don't bring it on a river unless you can afford to lose it." Waterproof/disposable cameras are a great idea.

Sheri Griffith Expeditions provides a camera to the guides to photograph the trip. A CD can be purchased at the end of the trip for \$40. If you do not want to risk your camera you are more than welcome to take photos with ours.

River Camping

The private camps in which you'll stay are mobile-tented river camps. They are set up to host you and your fellow travellers exclusively. After you depart, the entire camp is broken down and the campsite returns to untenanted wilderness again. Many aficionados of the true camping experience vastly prefer mobile camping, which is truer to the traditional, romantic camping atmosphere. You will not only be very comfortable in camp, you will also enjoy absolute privacy in your own pristine corner of the wild. Your guides, camp staff and travelling companions are likely to be the only other people you see.

Camping Equipment

We provide top quality tents that sleep two or three persons comfortably. The tents used on the rafting programs are large enough to stand-up in (10' x 10' x 6'). We also provide comfortable sleeping bags and pads. To keep tents cool and airy there are two "doors" and a mesh, open top with a nylon rain fly. Sleeping bags are cozy and professionally laundered prior to each trip.

Food and Drink

Riverside meals, prepared and served by camp staff trained in outdoor cuisine, are delicious and varied. Meals are served buffet style. You may bring your own beer, wine or hard liquor and we will be happy to store it and keep it chilled. Please avoid bringing glass. Bring beer in aluminium cans and transfer hard liquor into plastic containers.

Please note: Please remember we are in remote areas, usually in a mixed group, and far from medical assistance. We trust our guests will not endanger themselves, offend others, or evoke a guides' intervention by over drinking.

If you have a **special dietary requirement**, please advise Sheri Griffith Expeditions of your needs at least six weeks prior to departure. Every effort will be made to comply with your request.

Bathing and Toilets Facilities

In camp, there are separate shared bathroom facilities for men and women. Due to environmental impact issues, bathing facilities are limited to areas in, or directly adjacent to the river. If you choose to bring your own soap/shampoo, we suggest they be biodegradable products.

Sanitary facilities throughout the American West need to be in compliance with the strict standards set by the land management agencies and local, state, and federal guidelines. We provide top of the line portable toilets that offer privacy and are designed to be stable and comfortable. The most widely used system is a sealed container with a regular toilet seat attached. Hand washing stations will always be located near toilet and dining areas and all guests are encouraged to use them regularly.

Electrical Power

There is no electrical power in the pitched camps along the rivers. It is suggested that you carry a supply of additional batteries for your camera and any battery-operated appliances you are taking along. On a trip of this nature, items such as curling irons and hair dryers are **NOT** recommended. Mechanical or electronic devices that are noisy and which may disturb other guests "wilderness experience" are discouraged.

Entertainment

Your campsite will also include a library of books and information about the river and surrounding area as well as a variety of games and activities such as horseshoes, bocce and volleyball. Singing and telling stories around the campfire are nightly occurrences.

Communications

You will be visiting some of the most remote areas of the United States, you should be aware that radio contact is not often possible while travelling in river canyons. Additionally, cellular phones do not operate in river canyons.

General Information

CANCELLATION POLICY

The initial \$300 per person DEPOSIT is non-refundable. The FINAL PAYMENT, due 45 days prior to departure is also non-refundable. (This includes cancellation of the river trip, rental equipment, lodging and, vehicle reservations.) Since you have reserved space for which we have a limited number of seats, **our non-refundable policy applies in every instance. There are no exceptions for any reason, so we highly recommend that you purchase Travel Insurance to protect your vacation investment. A link for Travel Insurance is: www.travelinsure.com/affiliate/selecthigh.htm?32219.**

RESERVATION DETAILS

A \$300/person deposit is required at the time of reservation. The balance is due 45 days prior to departure. After making your reservation you will receive a reservation packet that will include a packing list, helpful travel hints, travel insurance information, a beverage request form, and a guest registration form. Please fill out the guest registration form and send or fax back quickly.

SAFETY, ASSUMPTION OF RISK AND, INSURANCE: We maintain an excellent safety record, since 1971. However, all outdoor experiences involve risk and we all must recognize that accidents or illnesses may occur. We cannot guarantee your safety. We place final responsibility for your safety firmly on your shoulders where it belongs. You have to pay attention to what you are doing. Mother Nature controls the water level, the weather and the elements, so there is a risk involved in rafting and camping. Before your trip departs, you will be asked to sign an Assumption of Risk and Release Form. If you have questions regarding this document or would like to see one ahead of time, please feel free to request it. We assume no responsibility for injury to trip members, their personal belongings or, for time and expense incurred. **We strongly recommend Travel Insurance, which covers vacation losses and accidents and provides a refund if you have to cancel your trip.**

NON-PERFORMANCE

We make every effort to follow through on our plans. However, we reserve the right to make changes in the itinerary or possibly cancel a trip if necessary including but not limited to weather conditions, water fluctuations, insufficient reservations, changes in international relations, or other factors beyond our control. If cancellation is necessary, your money will be refunded. Our financial liability shall be limited to the amount actually paid and shall not be extended to cover any other costs incurred by the trip member.

HEALTH ISSUES

If you are of an adventurous spirit and in reasonably good health, you should have no problem enjoying any of our trips. It's not necessary to be an athlete to participate in a river expedition. However, it is several hours to the nearest medical center. If you take medication you should bring a good supply and inform your guide of all medication that you are taking. When you meet your guide, you should discretely explain any medical conditions you may have or be concerned about including allergies to bee stings, etc. Each guide carries a first aid kit and will need to know if specific medicines should be stored. It's also helpful to know about other health issues when planning activities for the day. Pregnant women and anyone with heart trouble should have their physician's approval before taking a river trip.

GRATUITIES

Guests often ask whether gratuities are appropriate, and in what amount. If you feel your guides have provided a very special trip for you, a gratuity may be left with the trip leader and will be shared among the crew. Entirely discretionary, anything between 15% and 20% of the trip cost is a general tipping guideline. If you plan to tip, remember to bring a personal check or cash—ATM's are hard to find in the backcountry! PLEASE, do not make out checks to Sheri Griffith Expeditions. If you are writing check please make it out to the Trip Leader. NOTE: we cannot take credit card gratuities.

What is Included

- **SKILLED, PROFESSIONAL AND FUN GUIDES:** Trained in the art of river running, all of our guides have Emergency Medical Response and CPR certification, as well as hours of river rescue and river specific training. We are one of the few companies that train our guides this extensively.
